CALOUNDRA TEAMS CARNIVAL

Teams carnivals are always very difficult to organise and yet the competitors enjoy them so much. Nothing was different for the nine girls who took part in the Met Caloundra carnival. To make this event work we were running the girls 'up an age' but this did not faze them in the slightest with the under 12's providing the other clubs with a challenge in all events. I really look forward to them competing within their own age group. Special thanks to the parental help supplied-Andy Baines, Matt McMillan, Eileen Warrener and Shae Bailey.

DICKY BEACH TRAINING

Nervous faces, eager kids and hidden talent was all to be seen at the first north coast training of the season. Participating at nippers each Sunday gives kids the skills that they will eventually need and hopefully put to practice when they join the ranks as patrolling members. The challenge is can they do this in the surf. Thirty something nippers along with parents travelled to Dicky Beach to see if they were up to the challenge. With one or two anxious parents the kids, under strict supervision, were put out in the surf to see what they could do.

By now you should have all received your new membership cards along with your Bayview Community Card. Check our website out for all the offers available with this card. For those who have not got their cards please see Sam. Don't forget to support those who support us.
