**NOTE:** An (E) next to a patrol date indicates extended patrol hours. Patrol hours on these dates for Saturday patrols will be **12.00PM** until **6.00 PM**, and for Sunday patrols they will be either **7.00AM** until **12.30PM** or **12.30PM** until **6.00PM** Saturday morning Surveillance Patrols will be **9.00AM** until **12.00PM** only.

Please contact your Patrol Captain if you cannot make your patrol or you will be logged as no show and may be penalised. If you cannot contact your PC, call **Vice Club Captain Tony LeRoux (0410 472 775)** or **Club Captain Joe Bartulis (0402 371 244)** for assistance. You should ring around and find a replacement before you call your PC/VCC to let him know who you have found as replacement. Don't forget the club depends on you. Christmas Day and the morning of Anzac Day are voluntary. If you can do a patrol on either day (even if it is only for a few hours) please put your name on the blackboard at the clubhouse nearer the time.
