Thanks to our sponsor and friend Ian Kilpatrick at Professionals-Redcliffe.

SURF SAFE APPEAL AND COLLECTION

Our thanks go to all those who spent time collecting for the Surf Safe Appeal. Our target was \$10,000.00 and we collected (including the donation from the Surf Life Saving Foundation) \$9188.20. The cadets are already enjoying the Mals that were purchased with some of this money, and we look forward to receiving other new equipment that will be purchased with this money.

OUTSTANDING TINS

A final reminder that anybody with tins, empty or full should have them back to the club this week end. As administrator, I am held responsible for anything outstanding, be it receipt books or tins, so please get them back to me.

URGENT HELP REQUIRED ON THE FOLLOWING DATES

Firstly Australia Day (26-1-12) will see market stalls and inflatables stretching along the foreshore of Suttons Beach. The crowds, weather dependant, flock down in their thousands and we require all available patrol members for beach duties. We also require all hands on in the kitchen, which will start cooking at 8am.

Secondly Carnivals on 18-2-12 & 25-2-12 we will require kitchen help, set up and pull down crews and a work force for the day. These are both Saturday carnivals.

All new age managers, this is the time to put your hand up for age groups you would like to look after. All information and forms relevant to this AGM will be made available towards the end of February.
