**TO: All Club Members**

**FROM: Envirobank Collection and Terry Lowe**

*We are excited to announce that we will now be having monthly collections by Envirobank. This will commence on the 7<sup>th</sup> April 2019 and then first Sunday of every month. If you have containers for collection, if you could please place them on the grass area, at the northern end of the club (behind where the coffee van usually parks up).*

*Please note, this is a donate only collection, point Envirobank doesn't have a payment facility.*

*This is an easy and great way to raise funds for your club. Please let your friends and neighbours know as everybody can get involved.*
